

RUGGED MATS

Features and Benefits:

- Made in USA – not an import.
- Durable Myracord® rubber construction.
- Textured surface provides a true non skid mat – reduces load shifting.
- Superior abrasion resistance and tear strength.
- Virtually indestructible – Limited Lifetime Warranty.
- Custom modded fit for all truck models.
- Extra thick – a full 3/8" provides up to 50% more protection than other bedmats.
- Knobby underside promotes aeration and drainage to keep truck bed dry, helps to prevent rust and mildew.
